Transformation : Experience the key to SELF GROWTH

Heal trauma stored in the cells of your
body and the subconscious

Feel the lightness of being free of stress and
enjoy a personal growth healing experience

A time for therapists to allow themselves to care and
be cared for with Synergy healing exchanges.

For 6 days, everyone eats, plays, and shares who they are.

Feelings of safety and trust develop allowing
participants to experience releases of energy
that may have been suppressed.

The objective is to allow however much time is needed.

Exchanges involve different techniques
that may include Breathwork, Massage, HypnoSynergy,
RENEW, Reiki, Shamballa and Crystals.

Everyone shares in exchanges using
therapies of choice.

Includes lodging and use of kitchen for communally prepared meals
